In Florida, Clinton got 48% (4,485,745 votes) of the vote and Trump 49% (4,605,515 votes).

### PIZZAGATE PART 2 - UPDATED 6 DECEMBER 2016

In November 2016, **Monica Petersen** died in Haiti.

She had been teaching at a private school, the Union School, in Haiti.

Reportedly she committed suicide.

It is **possible** that Monica Petersen **may** have been critical of the Clinton Foundation's work in Haiti.

However, the evidence for this reportedly comes from an anti-Clinton, American prostitute, and not from Petersen herself.

There is no evidence linking the Clintons to Monica's death.
